Nike

Adidas

Player's Opportunities

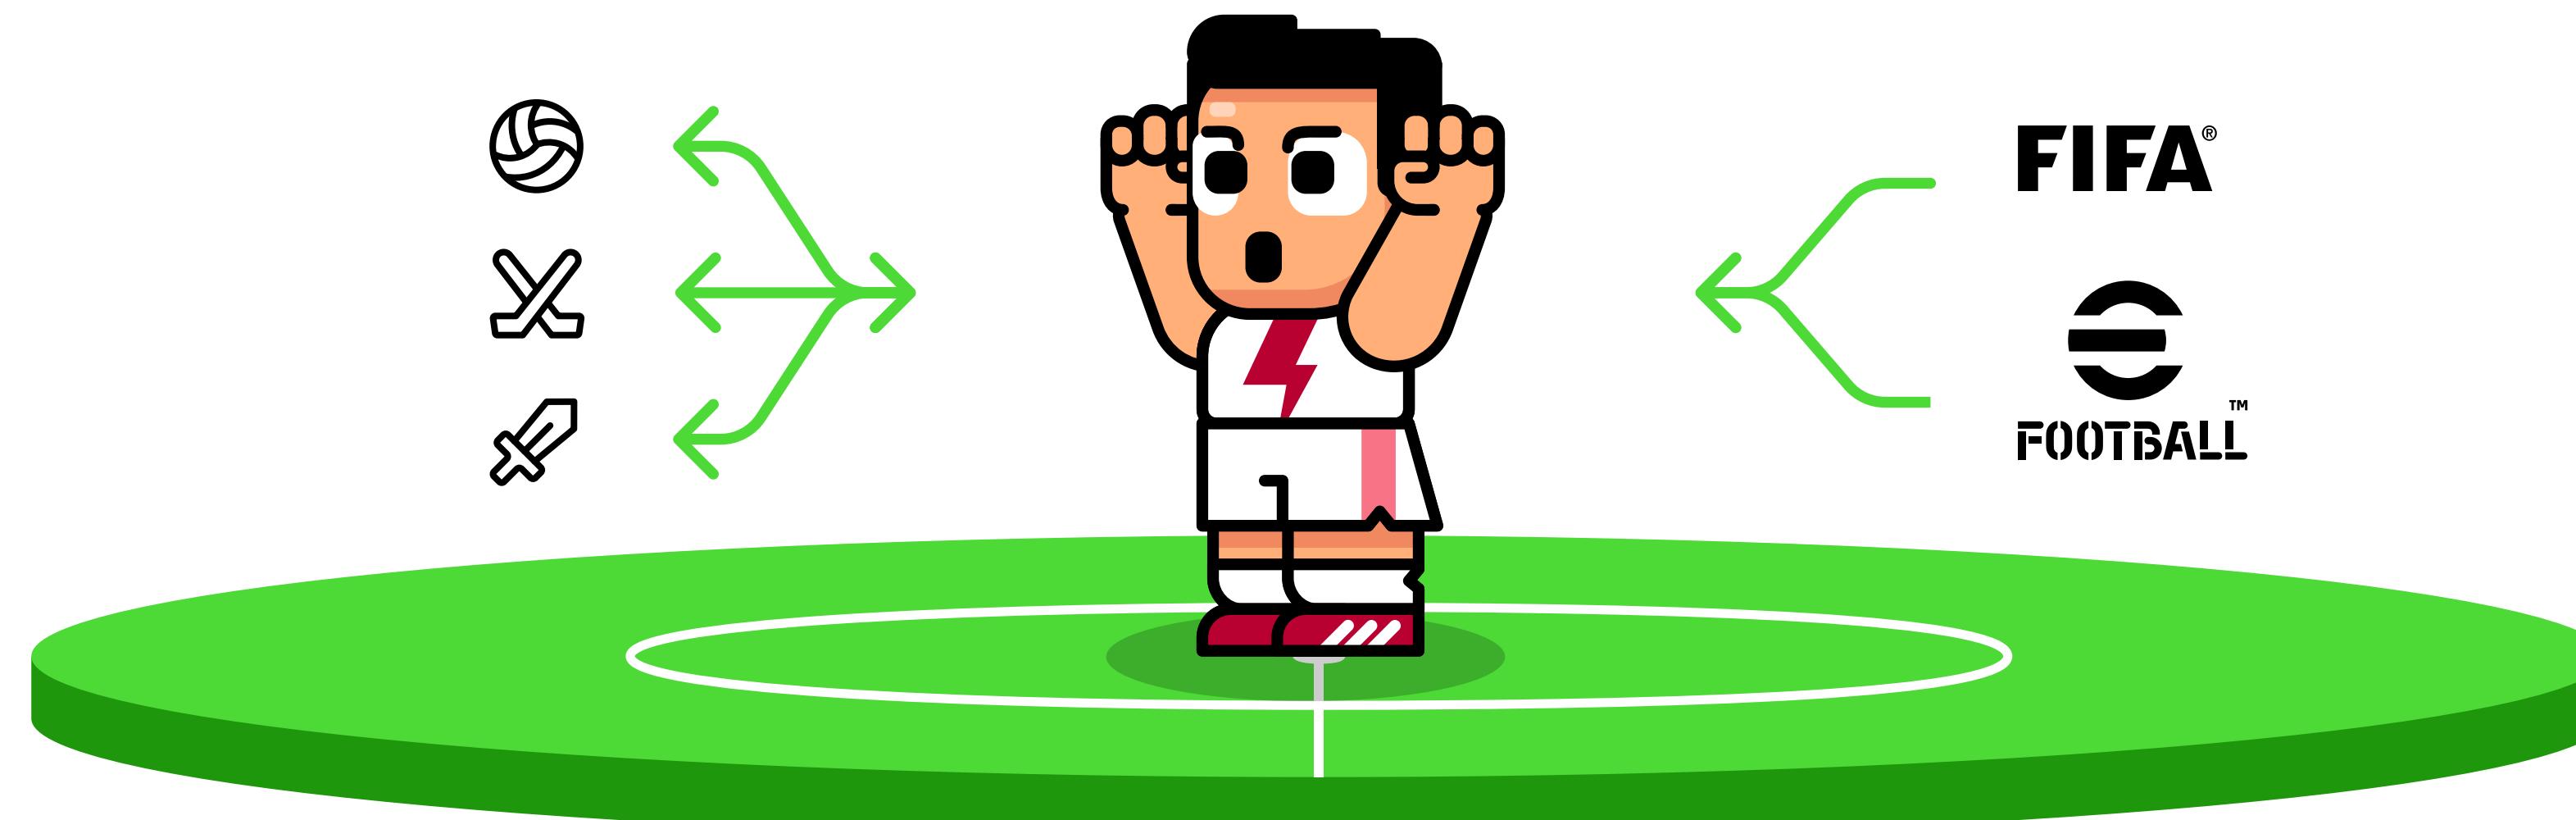

METAVERSED GAMES:

We are also planning a series of similar games for the multiverse: fighting games, volleyball, hockey, tennis. Players will be able to transfer their character between the games.

CROSSING GAMES:

Opportunity to transfer your player from «FIFA» and «Pro Evolution Soccer» to our «Shaolin.Soccer» game

Player's Opportunities

Build a unique football player and **sell** it on the **NFT marketplace**

Use **super strikes** to crush defenders and goalkeeper

Find the missing team, incl. players of the legendary Argentina national team 1986 with Diego Maradona!

Grow a soccer player out of a junior by hiring him the best coaches

Play with friends!

Use penalty mode to improve your skills as a goalkeeper, attacker or defender

Play football and earn when your team wins

Win the Champions League or the World Cup and get huge cash prizes!

Improve the players in the game, teach them super kicks, buy them boosts on the marketplace, train them with a coach and get the maximum uniqueness!

Don't want to invest a lot of money, but just want to play? Challenge other teams, win, improve the players' experience, their strength, speed and kick and get free upgrades of performance, new super kicks and uniforms!

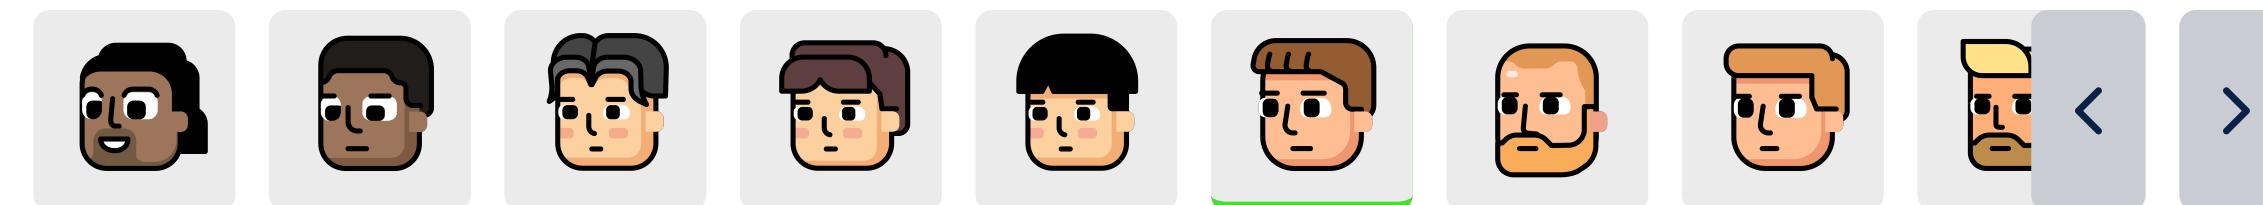

Join with other players into teams, come up with your own recognizable style of players and participate in special tournaments! Besides, you can be personally called up to the National Team to play at the World Cup.

The first unique football players

A series of legendary players with high parameters of speed, physical strength and punching power, possessing a unique form and unique super strikes.

Often these players are captains who have bonuses that apply to the entire team (speed additions, strength additions, shoring of super-strikes).

It falls out very rarely and only for those who spend a lot of time in the game. You can also buy them at the NFT Marketplace.
